Douglas,

The wildlife report is attached. I also attached the other supporting documents Valois sent me.

Hi Valois: I am helping Omar revise the project/action description section of the BA document in response to Lucita's comments on Lynne's version. Is there a shared drive folder I can access that contains your files capturing this information? Lucita is looking for a bit more detail to add to this section (e.g., proposed number of Class III wells in each

wellfield, briefly describing different phases of the ISR process including injection, recovery, storage, treatment, disposal). In reviewing the Fact Sheets from our first draft permits and internal briefings documents, I am not finding some of the specifics, etc. I need.
